Guardian Angel Program

A Special Way to Say "Thank You"

The **Guardian Angel** program offers grateful patients and their families a meaningful way to show their appreciation to a physician, nurse, staff member, or volunteer who made a difference during their visit to one of our facilities.

Upon receipt of your donation, your **Guardian Angel** will be recognized with a personalized card and angel lapel pin to proudly wear throughout our healthcare facilities.

Guardian Angel Program

A Special Way to Say "Thank You"

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." - Maya Angelou

If someone made a difference in the care you or a loved one received at one of our facilities located in the south and central region, please consider honouring them through our Guardian Angel Program.

Your gift makes possible the resources, services and life-changing programs that support patients served in the region.

About the South and Central Health Foundation

The South and Central Health Foundation is a registered charity which serves individuals living throughout the southern and central regions of the island of Newfoundland.

We raise funds to ensure the best possible health programs and services are available for patients, residents and clients living throughout our region.

Since 1983, with the help of donors, our Foundation has raised in excess of $10 million for the health of our communities.

"I really appreciated the care my Doctor provided me when I had my recent heart attack." -Mary H
